

Giné Giné

DOQ Priorat

Grenache and Carignan
Licorella (Slate of the Carboniferous period).

Approximately 50% of vineyards between 20 and 30 years old and 50% of old vines on slopes, all of them located in different areas: Bellmunt, Gratallops, La Vilella Baixa, El Molar, La Vilella Alta, El Lloar and Torroja.

Each variety is fermented separately, at a controlled temperature between 26°C and 28°C. The maceration is long. Malolactic fermentation is then carried out. When finished, the blend is made and bottled.

Deep, bright-rimmed ruby. Lively scents of ripe red and blue fruits, lavender and smoky minerals, along with a touch of cracked pepper. At palate, black raspberry, red currant, cherry and floral pastille flavors underscored by a vein of juicy acidity.

Between 14° i 15°.

Between 16 °C i 18 and up to three years after vintage date.

A wine of great versatility due to its rich aromatic expression. As so, it combines very well with different kinds of food and dishes with an interplay of floral touches, aromatic herbs, pepper, anise or cinnamon, balsamic, toasted or pastry touches. A great wine to enjoy also on its own, by the glass.
