

Pleret

DOQ Priorat

Grenache and Carignan

Grenache and Carignan from 100-year-old bush vines in two unique plots. One is located in our estate in Gratallops and the other one in Bellmunt del Priorat.

Slate soil (Slate of the Carboniferous period).

Each variety is fermented separately. The maceration is long and takes place at a controlled temperature between 26 °C and 28 °C. Subsequently, malolactic fermentation takes place. Once finished, it is aged in French oak barrels for about 10 to 14 months, depending on the vintage. It is then blended, bottled and aged in the bottle for at least 6 years before being released to the market.

Deep ruby colour, high depth. Rich aromatic expression, with spiced plum, ripe blackcurrant, black cherry, raisin and damson fruits backed up by delicate scents of violets, menthol, cassis, Elegant and very complex palate. Silky mouth feel, with dark fruit flavours (blackcurrant, figs), black cherry syrup and an undertone of dusty soils, pipe tobacco and bright red fruits with orange rind accents. A full-bodied wine with incredible length and intensity to enjoy with time.

Between 14° Alch. vol. i 15° Alch.vol..

Between 16 °C and 19 °C. Wine for aging.

Can be combined with both meat and fish, salads with berries, jams and soy. Also with non-citrus desserts and rather sweets such as nougat, coulants, etc.
